

BLUE RIDGE MOUNTAINS COUNCIL, BSA  
 Venturing in the Blue Ridge

## Venturing Leadership Experience (VLX)

This event is a great opportunity for some first hand leadership experience. Based on the model set by Kodiak X, Venturing Leadership Experience or VLX is a hands-on leadership course where teens navigate through series of challenging activities where they have to lead their peers to shared success. This event is great for new venturers, youth group leadership, JROTC units or anyone just looking for a challenge. The afternoon will be filled with fun, excitement and lots of memories so come on out and join us. If you have any questions please contact Jason Lagesse at patrickhenryde@bsa-brmc.org or 276.229.9830.
