

Come to Claytor Lake Adventure Base and ride...

**Innovation Engine**

# Jet Skis!!

Come to Claytor Lake Adventure Base and participate in the **FIRST EVER** Personal Water Craft Safety Course for Scouts. During a week of classes Scouts will learn all about Jet Skis, how to be safe on the water and of course have a blast riding Jet Skis on Claytor Lake. At the end of the course participants will have earned their Virginia Boater's License.

You can sign up for the PWC Course as you register for Merit Badges online.

There is an additional cost of \$20 to participate in the Course.

Sign up quickly because there are only 40 slots available each week.

The Blue Ridge Mountains Council has received exclusive permission from the National Boy Scouts of America to pilot a Personal Water Craft Program for Boy Scouts and Venturers at Claytor Lake Adventure Base. This is the only location in the entire country where use of Personal Water Craft is permitted as part of any Scouting program.
