

Base Camp Powhatan

Tucked into the valley formed by the Big Macks Creek and Jersey Ridge, Camp Powhatan is the largest council-owned Scout camp in the United States. The big camp atmosphere of Powhatan surrounds you with excitement from morning flags till evening taps. Whether learning new skills in one of our merit badge programs or participating in one of the many evening activities, Scouts and Scouters alike will have fun living the Scout Oath and Law.

The foundation of any base camp program is merit badge instruction. From Archery to Wilderness Survival, our experienced staff will help your Scouts master skills in over 30 different areas. In addition to traditional camp offerings, Powhatan also boasts two high adventure merit badges: Whitewater and Climbing & Rappelling.

Participants will also enjoy extensive camping facilities such as the internet equipped Scoutmaster Lounge or the brand new Nature Lodge. Leaders will have the opportunity to complete various BSA trainings throughout the week.
